

DIGIS PHONE CANCELLATION PROCEDURE

We've been notified that you wish to cancel your DIGIS Phone service. To complete the cancellation, please return the Phone Adapter and power supply to our Phone Department using the postage-paid label below. When we receive the Adapter, we'll remove the service from your account. You have been leasing the Phone Adapter which has a value of \$70. To avoid a \$70 charge to your account, we must receive the adapter at the address below; please do not leave with a technician. **If you DO NOT wish to cancel, contact customer service at 1-888-DIGIS-88 AS SOON AS POSSIBLE!**

INSTRUCTIONS:

- 1) If you are porting (moving) your number to a new phone company, it is important to mention this to our customer service rep (1-888-DIGIS-88); DO NOT return the adapter to us until your port away from Digis has completed - otherwise, your number may be canceled prematurely and lost.
- 2) Attach the label below to the original box, or place the adapter and power supply in an envelop and attach the label.
- 3) Leave the package in your mailbox or drop off at any US Post Office or mailbox. The adapter must be mailed to the address below. Do not leave with a technician.
- 4) Questions? Please contact customer service at 1-888-DIGIS-88, or e-mail phoneadmin@digis.net.
